6. Troubleshooting & Support

6.1 Support

Please email us at letsautomate@outlook.com for any assistance on Bot functionality or Feature

Questions on Bot Functionality or Feature can also be posted to our Community site [A-people](#) Automation Anywhere provides a [Product Documentation portal](#) which can be accessed for more information about AA's products and guidance on building bots and Digital Workers.

The "Build" section of the portal includes these sections:

- Getting Started - information on building bots recommended practices (including use of the Credential Vault)
- Build Advanced Bots - details on MetaBots and the approach to integrating code into them
- Build Digital Workers - high-level architecture

6.2 FAQs

Q. How can I customize this solution?
