GST Calculation Bot-Readme- In2IT Technologies

Bot Overview

This bot performs the following operation:

- The bot allows you to find Applicable GST, pre-GST and post-GST amounts on certain items based on specific GST rates

Pre-Requisites

- AA Control Room- V11x
- AA Client- V11x
- MS Excel

Installation

- Download the bot from Bot Store.
- Double click on the .msi file.
- On Welcome to Installation wizard, click Next to continue.
- Click I agree to the terms in the license agreement radio button to accept the agreement.
- Get/Copy the License key from Bot Store Downloads into License Key, click Next to continue.
- Click Install to begin the installation.
- Click Finish to complete the installation.
- To view the installation, go to 'My Tasks' folder on AAE Client to see bot files.

Uninstallation

- Open Add/Remove Programs -> Select the Bot/Digital Worker to be installed
- Click uninstall

How to Use the Bot?
Use the following information to configure your bot:
1. The bot reads the data from the excel file including item type, Amount and if the amount is inclusive/exclusive of GST
2. The bot matches the category of the item from the data in Sheet 2 and calculates the applicable GST and the Pre/Post GST Amount
3. The calculated data is then filled in the Sheet 1

Note- Go to https://www.paisabazaar.com/tax/gst-calculation-tool/ for more details on GST Calculation

Go to https://www.paisabazaar.com/tax/gst-rates/ for more details on GST rates
