

AWS Login Logout - Readme

Bot Overview

This bot performs the following:

- Clear browsing data on IE11
- Login to AWS IAM user account
- Logout of AWS IAM user account

Pre-Requisites

- Automation Anywhere Enterprise v10 sp2
- Internet Explorer v11 must be installed

Installation

- Download the bot from Bot Store.
- Double click on <Bot Name>.msi and follow the installation instructions.

For first time users, the "Bot Store" folder is created under <AA Directory>/My Tasks (on your local disk). Folder Structure

Create the following folder structure of the content in the AA Dir:

- My Tasks ○ BotStore
 - ✦ AWS Login Logout Error Folder
 - Logs ○ Error Logs MonthDayYear ○ Process Logs MonthDayYear
 - Snapshots ○ Error Snap MonthDayYearHourMinuteSecond

How to use the Bot:

Use the following information to configure your bot:

Parameter Name	Type	Direction	Additional Info
vAccountID	String	Input	This variable will store the user's AWS account ID
viAMUserName	String	Input	This variable will store the user's AWS IAM username
vPassword	String	Input	This variable will store the user's AWS password
vLogFileName	String	NA	This variable will store Process Logs File Path for the bot
vErrorLogFileName	String	NA	This variable will store Error Logs File Path for the bot

Bot Store

vMyTaskPath	String	NA	This variable will store Main Folder path for the bot
-------------	--------	----	---

Error Handling

- Each Bot folder contains the below hierarchy
 - Error Folder
 - ✦ Logs
 - Error Logs MonthDayYear.txt ⑦ In case of any error, this file logs error message along with time stamp. This file will append all logs for the same day
 - Process Logs MonthDayYear.txt ⑦ This file logs all the process related logs along with time stamp. This file will append all logs for the same day
 - ✦ Snapshots
 - Error Snap MonthDayYearHourMinuteSecond.png ⑦ In case of any error, this file captures screenshot of error - Task Status of bot is set to failed in case of error

Bot Files

- My Tasks
 - BotStore
 - ✦ AWS Login Logout
 - My Task
 - AWS_LoginLogout.atmx
