1. Introduction

This document contains all essential information for the user to make full use of this A2019 *Last week dates*. It includes a description of the functions and capabilities and step-by-step procedures for setup & configuration of the *Last week dates*.

1.1 Overview

The Last Week Dates Bot is designed to execute Python to give you the full date of the last week by entering the name of day

1.2 Use cases

The key use cases include:

If the today date is Wednesday, Oct 5 and you want to get the last Thursday date, when using the **Last Week Dates** Bot you can enter the “Thursday” as input and run it, the output will be as follow: 2022-09-29

2. Requirements & Prerequisites

2.1 System Requirements

[Enterprise A2019 \(Cloud deployed\) and Community Edition device requirements.](#)

Review the machine hardware specifications, operating system versions, and browser types supported by Automation Anywhere Enterprise for creating and running bots and command packages as an Enterprise A2019 (Cloud deployed) or Community Edition user on your local machine.

2.2 Prerequisites

- Automation Anywhere Enterprise A2019 setup to run in your machine.
- Python 3.x installed

3. Getting Started

3.1 Quick Start

3.1.1 Setup

Install the Bot from Bot Store into your Control Room

3.1.2 Configuration and Use

- *For Configuring the Bot –*

INPUT VARIABLES				
<i>Variable Name</i>	<i>Type</i>	<i>Mandatory</i>	<i>Purpose</i>	<i>Example Input</i>
N\A	N\A	N\A	N\A	N\A

4. Support & FAQs

4.1 Support

Free bots are not officially supported. You can get access to Community Support through the following channels:

- You can get access to Community Support, connecting with other Automation Anywhere customers and developers on [APeople](#) – the [Bot Building Forum](#), the [Bot Store Support Forum](#), or the [Developers Everywhere Group](#).
- Automation Anywhere also provides a [Product Documentation portal](#) which can be accessed for more information about our products and guidance on [Enterprise A2019](#).

4.2 FAQs

For questions relating to Enterprise A2019: See the [Enterprise A2019 FAQs](#).
